Notice for Classes I - VIII

CIRCULAR No. SS/MOH/2023/65

Date: 04.12.2023

Dear Parents,

This is to inform parents of the Interschool competitions and the rules and regulations followed whenever there is an Inter school competition:

1. Please note that every school selects its best candidate(s) to represent it at such events/competitions.
2. The entries permitted are restricted to either one or two per category or a team-depending on the competition. Most often the entries are at a cost for which the school pays.
3. It is not possible to have all children participate due to limited openings.
4. The selection of the children is done on the basis of regular good work and excellence in whatever they perform throughout the year.
5. Many a time there are situations where it is not possible to conduct a preliminary for each event/ Competition.
6. There are however competitions where there is a class wise 100% participation-such activities are also conducted regularly.

We believe in the principles of Fairness and Equal opportunity for all our children- every child is special and unique and we are committed to assisting the children in achieving excellence in Academics, arts and sports.

Thank you
